**Additional Information / Prior Funding History:**

FY2005 Supplemental - \$200,000.

**Project Description/Justification:**

Project is funded by a Federal Earmark intended to support development of a new Aleutians East Borough (AEB) owned public terminal located off of any existing apron. A plan is needed to identify landside and airside improvements necessary for efficient movement of people and freight between the hovercraft landing, the new AEB terminal building, the existing PenAir terminal and existing or future airport aprons.
